

SCHEDULE 1

BYLAW NO. RS 2/93

A bylaw of the Recreational Subdivision of Michel Point to control the collection, storage, and disposal of liquid wastes.

The Minister of Community Services on behalf of the Recreational Subdivision of Michel Point in the Province of Saskatchewan enacts as follows:

1. In this bylaw the expression:

- (a) "Administrative Authority" means a Medical Health Officer or Public Health Inspector;
- (b) "Holding Tank" means a tank, constructed of material that is equivalent to the requirements set out in the Provincial Plumbing Regulations, designed to collect and hold liquid waste without treatment prior to transporting such waste to a final point of disposal;
- (c) "Householder" means the owner, occupant, lessee or tenant or the person otherwise in charge of any dwelling, hotel, restaurant, apartment block, office building, public institution or other premises;
- (d) "Premises" means any dwelling, building, garage, hotel, restaurant, apartment block, office building, public institution or other facility capable of being used for shelter;
- (f) "Private Sewage Works" means a privately owned works for the reception, treatment and disposal of sewage from one property owner;
- (g) "Privy Vault" means a storage or holding tank placed under an outside toilet for confinement and storage of human excrement only.

2. This bylaw shall apply to all properties within the Recreational Subdivision of Michel Point as shown on Registered Plan Numbers BW7963 and 82B03613 as recorded in the Battleford Land Titles Office.

3. The householder responsible for each habitable premises shall provide on such property a watertight holding tank for the reception of liquid waste. This tank shall be of such a size as to contain not less than 15 days liquid waste from

such premises and, in any case, not less than 4,546 litres (1,000 gallons) and shall be equipped with a readily accessible, 10.16 centimetre (4 inch) internal diameter pump-out opening in the manhole lid for holding tanks and not less than 1,364 litres (300 gallons) with respect to privy vaults.

4. All householders whose premises are located in areas identified in Section 2 must provide an approved storage or holding tank which will be used to receive all liquid wastes emanating from their premises.
5. The householder shall maintain all equipment for the disposal of liquid waste and excrement in a sanitary and structural condition acceptable to the Administrative Authority.
6. Any person beginning construction, where sewage collection facilities are required, shall obtain a permit from the Administrative Authority prior to the commencement of construction.
7. The design, installation, operation and maintenance of all facilities and equipment for the collection, storage, removal and disposal of liquid wastes shall, where not otherwise in conflict with this bylaw, comply with applicable provisions of The Public Health Act and Regulations thereunder.
8. All new facilities for the storage of liquid wastes, in the area identified in Section 2 shall comply with this bylaw and any amendments thereto or revisions thereof.
9. Existing facilities for the storage and disposal of liquid waste shall be required to comply with this bylaw at a time and extent specified by the administrative authority and the Minister.
10. (a) No person shall provide a liquid waste transporting service within the Recreational Subdivision of Michel Point without a current permit to do so from Saskatchewan Environment and Public Safety and written approval from the Administrative Authority.
(b) The Minister may establish the kind, volume and fix a schedule of fees for liquid wastes which shall be disposed of at a prepared area of the sewage disposal site.

11. In all other respects, the facilities provided for the storage of liquid waste located in areas identified in Section 2 of this bylaw shall comply with the requirements of The Saskatchewan Shoreland Pollution Control Regulations, 1976 and amendments thereto or revisions thereof.
12. (a) When, in the opinion of the Minister or the Administrative Authority there is a breach of any provision of this bylaw, a placard giving notice of this breach and the remedial action required to correct such breach, may be posed on the premises where the breach is found.
 - (b) Any person, who without permission of the Minister or the Administrative Authority, takes down, covers up, mutilates, defaces or alters the placard posted under this bylaw, is guilty of an offence.
 - (c) The posting of a placard on a premises pursuant to this bylaw shall not relieve the person in default from imposition of a penalty for infringement of this bylaw as provided in this bylaw or from having to carry out the work therein mentioned.
13. If any person fails, neglects or refuses to do anything which he is required to do by this bylaw, the Minister or Administrative Authority may order the person in default to do such thing.
14. (a) A person who infringes any of the provisions of this bylaw or fails to comply therewith is guilty of an offence and shall be liable on summary conviction to the penalty prescribed in this section.
 - (b) An individual who commits an offence is liable:
 - 1) for a first offence, to a fine of not more than \$1,000 and to a further fine of not more than \$50 for each day during which the offence continues;
 - 2) for a second or subsequent offence, to a fine of not more than \$5,000 and to a further fine of not more than \$50 for each day during which the offence continues.
 - (c) A corporation which commits an offence is liable:
 - 1) for a first offence, to a fine of not more than \$5,000 and to a further fine of not more than \$500 for each day during which the offence continues;

- 2) for a second or subsequent offence, to a fine of not more than \$10,000 and to a further fine of not more than \$500 for each day during which the offence continues.
15. This bylaw shall be subject to the prior approval of Saskatchewan Health and Saskatchewan Environment and Public Safety.
16. This bylaw shall come into force upon the date of issuance of the Order of the Minister of Community Services which establishes this bylaw which date shall be subsequent to the approval dates as required under Section 15.

Dear Sir:

In response to your request I have drafted a bylaw to control the collection, storage and disposal of liquid wastes in your cottage subdivision.

I have enclosed a draft copy of the bylaw for review by your executive. Upon completion of your review, would you please advise me if the executive approves of the bylaw as drafted or if changes are desired.

Please call me should you have any questions concerning the bylaw.

Yours truly,

A handwritten signature in cursive script that reads "Gerry Stinson".
